The E Series of ACCVACS Vacuum Sealers boasts the most advanced electronic controls and the biggest size selection on the market. What's more, we offer these machines at the most affordable prices.

Our E Series Retractable Nozzle Vacuum Sealers come with stainless steel nozzles and a vacuum gauge. They include a backlit LCD panel and smart controls. These clean-room compatible machines have a 1/4" seal element and compressed air and gas push-in fittings for quick, easy setup. Power corded for 120V, they include a foot pedal and come with a three-year limited warranty. ACCVACS vacuum sealers require an air compressor to operate.

Available Options:

Gas Purge
Vacuum Regulator (for packing Sensitive Products)
Vacuum Filter (for Packing with Liquids)
Dual Nozzle (for faster Packaging)
